**Personnel & Admv. Reforms (B) Department.**

The 25th November 2009.

**OFFICE MEMORANDUM**

Subject:- **NOTIONAL APPOINTMENT DATE**

**No.PER(AR)68/2009/1**—There have been a number of instances where Administrative Departments have approached Government in Personnel & A. R.(B) Department for advice/views/approval in the matter of fixation of the inter se seniority of Government employees appointed in various Offices, when difficulty arises after implementation of the Reservation Policy.

It is noted that appointment is normally made on the basis of the recommendation of the M.P.S.C./D.S.C. On account of application of the Reservation Policy, some candidates who are lower in the merit list could have been appointed earlier than those higher in the merit list. As such, if actual date of joining is taken into consideration, the position may appear anomalous since the inter se seniority has to be maintained as per the merit list of the M.P.S.C./D.S.C. as per normal standing principles.

In order to avoid any anomalies in this matter, it has been decided that in such cases, a notional date of appointment may be fixed for such candidates who are appointed later than some, other batch mates who, though lower in the M.P.S.C./D.S.C. list, get appointment earlier because of application of the Reservation Policy. This notional date should be the date of joining of the last appointed candidate from the merit list who has, however, been appointed earlier because of application of the Reservation Policy. This notional date would be taken into consideration while determining the seniority in the amalgamated seniority list.

However, this will not entitle the incumbent for any other benefit which is normally based on years of service put in, where the actual date of joining and not the notional date, will be taken for determining actual years of service in the post/grade.

In case of doubt, the matter may be referred to the Personnel & A.R. (B) Department for clarification.
